Now one may draw his own conclusions. Personally, we are inclined to the opinion that the good attendance was due more to the price than to the quality. Again their is a glamour, which it takes a psychologist to ex plain, hovering about a tented attraction that one does not feel in a real theatre, comfortably beated.

We do not know what Manager Thomas will fix for the adssion price of his stock company venture, but we believe that the wisest course is to make the price as low as possible and change the bill every night. Also offer vandeville and mifty congs between the tacts and a little dancing act here and there. Such is the demand of the pub lie. The public foots the bill. consequently it is they who are

NEW YORK SUFFRAGISTS REORGANIZE IN NEW CAMPAIGN FOR VOTES Miss Marion Parkhurst.

New York, Dec. 5,---thatil the right to vote has been won, the soffragists of New York, who are gathered to reorganize, will give neither time nor money to any other cause, according to speeches made at the assemblies.

No organization, reform or social or philanthropic, is to have any help from them until the vole is given.

Among the prominent women, who are niding in the work of reorganization, and who has taken the stand outlined above is Miss Marion Parkhurst, who like wany other prominent suffrage workers, has practically devot-ed her life to the cause and has determined to work innecesingly entil the fight is won.

Football, Red Cross Seals and Imberculosis are eleverly blended into a strong romance in "The Lone Game." a motion picture produced by Thos. A. Edison for he National Association for the Study and Prevention of Tuberculosis. The picture will be released Saturday, December 11, and will be used as an aid in the Red Cross Seal Campaign

throughout the country.
"The Lone Game" is based upon a book by Thomas Crawford Galbreath, entitled "T. B. Playing the Lone Game Consump-tion." The leading characters The leading characters in the play are: Dean Norman, a wealthy young college student and star player on the football team; Phil Proctor, a poor stadent who carns his living coaching and tutoring, and Grace Proctor, Phil's sister, studying voice culture in a near-by city and being supported largely by her brother.

Dean meets Grace through a street car accident. At the hospital he finds that her brother had been his tutor in college and learns that Phil lens suffering from what his physi-
